

Trans-Lake Washington Project

Technical Committee Meeting

October 18, 2002 – 9:30 am to 12:00 pm – Technical Committee

12:30 pm to 2:30 pm – Stormwater Technical Discussion

St. Demetrios Greek Orthodox Church, Small Hall, 2100 Boyer Ave. E., Seattle.

Meeting Objectives: Review project team's proposed EIS work plan and provide feedback; brainstorm potential ideas regarding early mitigation opportunities in the SR 520 corridor. Natural resource agencies to reconvene at 12:30 for a more detailed technical discussion of stormwater issues (other members welcome if they so desire).
